*The Scholarship Committee will be comprised of the President, who shall be Chairperson of the committee, the Band Director and the Treasurer. This committee will be responsible for reviewing and approving requests for financial assistance. All information received by or discussed in the meetings of the Scholarship Committee shall remain confidential and will not be discussed with those outside the committee. Recommendations to the Board of Directors will be done in summary without disclosing individual confidential information. Scholarship guidelines will provide that all funds be awarded for the support of band students only, and that such funds be applied in such a way as to defer the cost of **required band activities** where a student and his or her family **has shown significant attempt to defray such costs**, or to support further education of current band students. Should donations be made to the band specifically to defray the individual cost of voluntary band activities, such donations will be administered by the Scholarship Committee.*
