

Concert Band Audition Information

Fall 2023

Please consider carefully the following items regarding our auditions for our upcoming concert band season:

1. Auditions 1 & 2 will be submitted through Canvas, and be graded for completion. Please look for the Audition assignments.
2. All auditions are due according to the following schedule:
 - Audition #1 = Scale AND Etude #1 - **September 18, 2023 by 11:59pm**
 - Audition #2 = Etude #2 ONLY - **October 16, 2023 by 11:59pm**
 - Audition #3 = LIVE Sight Reading - **Week of October 30-November 3**
3. Students are encouraged to record as many takes as necessary before submitting their best audition.
4. Any conflicts with submissions and/or scheduling must be communicated with a director in advance. Late submissions will not be accepted.
5. Due to the CODA Board selecting different music for 9th and 10th-12th graders, each instrument will have one etude from the 9th Grade audition list and one etude from the 10th-12th Grade audition list. All students will need to learn the posted cuts from both etudes.
6. For the live sight reading audition, each student will have 30 seconds to study a short etude written specifically for this audition. During this time, they may airplay through the music, but may not make a sound on their instrument until the preparation time has passed. After this time, the student will be asked to play.
7. For the 2023-2024 school year, we will be placing students in three (3) concert bands (Wind Ensemble, Symphonic Band, and Concert Band), according to the results of their audition performance.
8. If you have any questions about your audition materials, please email a director, according to your instrument:

Flute, Bassoon, Low Clarinet - joelee.mills@edmondschools.net

Oboe, Clarinet, Saxophone - michael.holleyman@edmondschools.net

Brass - brad.coker@edmondschools.net

Percussion - ben.conrady@edmondschools.net
